

AUCTION

has generously donated this awesome

O'Brien Quattro 66" Slalom Ski

Retail Value **\$2,500**

to the MasterCraft-Headzone Australian Open 2012.

The Elite Quattro "all-carbon" ski will eliminate tip bite forever.

Made using the Resin Transfer mould Technology the Quattro boasts -

- Perfect surface finish - High dimensional stability
- Incredible resin to carbon ratio
- Consistent flex, rocker and weight due to no air pockets
- Up to 50% stronger than compression moulded skis - Parallel forward profile
- Coreless torsion geometry - Sweet spot layup
- 48 degree bevels - Extended pivot point
- A 7 degree sidewall - Rounded Tail Bevels
- Semi Square Tail
